## Trusts Funds

### Department of Agriculture

Policy: 901 Noxious Weed Management Trust Permanent // Statutory

The Noxious Weed Management Trust Fund was established in 1985 per MCA 80-7-811. It is sponsored by the Montana Department of Agriculture. The principal amount of ten million dollars (\$10,000,000) shall remain inviolate unless appropriated by the vote of three-fourths (3/4) of the members of each house of the legislature or an emergency described in MCA 80-7-815—the governor may declare a noxious weed emergency if a new and potentially harmful noxious weed is discovered growing in the state and is verified by the department or the state is facing a potential influx of noxious weeds as the result of a natural disaster. Principal in excess of ten million dollars (\$10,000,000) may be appropriated by a majority vote of each house of the legislature. Appropriations of the interest and income shall be used only to fund the noxious weed management program, as provided by law. (SABHRS 09034)

### Department of Environmental Quality

Policy: 903 Abandoned Mine Trust Expendable // Statutory

The Abandoned Mine Land Reclamation Trust fund was established in December 1993 per MCA 82-2-1006. It is administered by the Montana Department of Environmental Quality. Proceeds of the fund will be expended to pay for reclamation or drainage abatement on eligible lands or waters. An expendable trust funded by federal grants under the Surface Mining Control and Reclamation Act of 1977, Article IV. Ten percent of Montana’s annual grant amount is deposited into this trust to fund programs related to abandoned mine land reclamation. (SABHRS 03302/02676)

Policy: 930 Barker Hughesville St Response Expendable // Legal

The Department of Environmental Quality (DEQ) filed a bankruptcy claim after ASARCO declared bankruptcy in 2005 for the Barker Hughesville Mining District (BHMD). The court determined that the funds could only be spent on or at the BHMD site. The court directed the settlement funds to be provided directly to DEQ and into a special account. Most of the funds are to be held in reserve for potential long-term operation and maintenance costs related to the orphan share mines. DEQ may try to help fund a portion of clean-up costs for solid mining waste remedies. Expenditures are expected to follow the schedule provided by the DEQ. (SABHRS 08232)

Policy: 902 Belt Water Treatment Plant Fund Expendable // Statutory

The Belt Water Treatment Plant Fund consists of funds originated from various Montana Department of Environmental Quality (DEQ) sources, all of which derive from payments from the Office of Surface Mining Reclamation and Enforcement. Expenditures from the funds will be used for the operation and

maintenance of the water treatment plant to be constructed in Cascade County, Montana. Expenditures are expected to begin in 2022 and follow the schedule provided by the DEQ, as updated. (SABHRS 03447)

Policy: 904 Clark Fork Site Response

Expendable // Legal

The Clark Fork Site Response Action Fund originated in 2008 when a Consent Decree was entered between the State of Montana, the United States and Atlantic Richfield Company (ARCO), in order to settle certain litigation and to provide for the funding of the remedial action at the Clark Fork River (CFR) Operable Unit. The settlement involves, among other things, payment by ARCO plus accrued interest. Those funds and the earnings from the investment of those funds are to be used by the State with oversight, input, and approval from the United States EPA for the purpose of remediating the CFR over an estimated ten to twelve-year period. Any funds left over after clean-up will be transferred, with EPA approval, to the Clark Fork State Restoration Account (established under the same Consent Decree). (SABHRS 08212)

Policy: 931 Flying J CECRA Facilities Fund

Expendable // Legal

The DEQ filed a bankruptcy claim after Flying J (and its subsidiaries) filed bankruptcy in 2008 under Montana's Comprehensive Environmental Cleanup and Responsibility Act (CERCA) and other statutes. This fund is a result of a settlement agreement to settle claims at Tank Hill, Big West Oil, Diamond Asphalt that was approved by the bankruptcy court in July 2010. Expenditures are expected to follow the schedule provided by the DEQ. (SABHRS 08241)

Policy: 932 Libby Asbestos Site State Cost

Expendable // Legal

In October 2002, the Libby Asbestos Superfund Site was listed on the US Environmental Protection Agency National Priorities List. As part of the WR Grace bankruptcy proceedings, Montana and WR Grace entered a settlement to be used for the state's 10% cost share for operations and maintenance costs at some areas of the site. Expenditures are expected to follow the schedule provided by the DEQ. (SABHRS 08230)

Policy: 933 Luttrill Pit Operations and Maintenance

Expendable // Legal

As the result of the Pegasus bankruptcy, the Montana DEQ became the owner of the site and continues with reclamation activity. The Environmental Protection Agency entered into an agreement with the Bankruptcy Trustee and later with DEQ. Per the agreement, DEQ is responsible for the operation and maintenance costs for the site. DEQ does not envision any costs until 2030. (SABHRS 08050)

Policy: 905 Montana Pole Superfund

Expendable // Legal

The Montana Pole Superfund Site Settlement Fund was established in July 1996 through a Consent Decree among Montana Department of Environmental Quality (DEQ), the Environmental Protection Agency (EPA), Atlantic Richfield Company, Burlington Northern Railroad, Montana Resource and others. Funds and earnings from settlement proceeds are used solely for remediating hazardous substance contamination at the Montana Pole Site. The fund is administered by the DEQ. The Investment Policy may be modified by agreement of the DEQ and EPA. (SABHRS 08159)

Policy: 906 Streamside Tailings Fund

Expendable // Legal

The Streamside Tailing Operable Settlement Fund originated in 1998, when a Consent Decree between the State of Montana, the United States, the Atlantic Richfield Company (ARCO), and others was created to settle certain litigation, and to provide funding for the implementation of the remedy for the Streamside Tailings Operable Unit of the Silver Bow Creek/Butte Area (original portion) NPL Site. Funds paid by ARCO and the earnings from the investment of those funds are to be used by the State and EPA for the purpose of remediating the mine waste contamination at the Streamside Tailings Operable Unit. Any funds, including earnings, which are not ultimately required for the remediation of the Streamside Tailings Operable Unit are to be used by the State for natural resource damage restoration purposes, and will be transferred to the Upper Clark Fork Restoration Fund. (SABHRS 08160)

Policy: 907 Upper Blackfoot Response

Expendable // Statutory

The Upper Blackfoot Response Action and Restoration Fund originated in 2008, when a Settlement Agreement was entered between the State of Montana, the United States, Asarco, LLC (Asarco) and the Atlantic Richfield Company (ARCO), to settle certain bankruptcy and other claims and to provide for the funding of response and restoration actions at the Upper Blackfoot Mining Complex (UBMC). All funds paid by Asarco and ARCO and the earnings from the investment of these funds are to be used by the State, as Lead Agency, in consultation with the United States Forest Service, for the purpose of conducting response and restoration activities within the UBMC Site. These actions include the removal of the Mike Horse Impoundment as provided in the USFS Action Memorandum dated July 23, 2007, and any amendments thereto. In addition, the State would perform additional remedial and restoration work outside the scope of the Action Memorandum, including the cleanup of tailings along the Upper Blackfoot River, Beartrap Creek, and Mike Horse Creek and restoration of those streams with the intention of restoring west slope cutthroat and bull trout to the area. (SABHRS08227)

Policy: 909 Zortman/Landusky Trust

Expendable // Statutory

The Zortman/Landusky Long Term Water Trust fund was established in July 2005 by the Montana Legislature. It was funded with annual transfers of \$1.2 million by the Montana Department of Environmental Quality from the Orphan Share account. The transfers were to continue until the value of the fund was projected to be \$19.3 million on January 1, 2018. Proceeds of the fund will be expended for long-term or perpetual water treatment at the Zortman and Landusky mine sites. (SABHRS 09005)

Policy: 908 Zortman/Landusky Water

Expendable // Statutory

The Zortman/Landusky Long Term Water fund was established in June 1999 at the request of the Montana Department of Environmental Quality. It was funded from proceeds incidental to the bankruptcy and surety bond of Zortman Mining Inc. Proceeds of the fund will be expended for environmental cleanup and long-term treatment of water at the former mine site. (SABHRS 08217)

**Department of Fish, Wildlife and Parks**

Policy: 910 Coal Tax Park Acquisition Fund

Permanent // Statutory

## Insurance Funds

Policy: 937 MUS Group Insurance

Permanent // Statutory

The Montana University System Group Insurance account was established as the reserve for the self-insured health plan for the Montana University System. (SABHRS 06008)

Policy: 938 MUS Workers Compensation

Permanent // Statutory

MUS Workers Compensation began operations on July 1, 2003 as a self-insurance program to provide workers compensation coverage for the Montana University System. This is an operating account requiring significant liquidity. However, the Montana Department of Labor requires the Program to maintain adequate reserves to meet the Program's anticipated and contingency funding needs in the event of adverse developments or uncharacteristically high costs, so investment in the Trust Fund Investment Pool is considered prudent to achieve a higher level of investment income. (SABHRS 06082)

Policy: 939 Employee Group Benefits

Permanent // Statutory

The State Employee Group Benefits account was established under MCA 2-18-808 "to establish a program under which the state may provide state employees with adequate group hospitalization, health, medical, disability, life, and other related group benefits in an efficient manner and at an affordable cost."
